

Notification of Background Check & CORI Policy

Notification

This notification is to inform you as a potential employee, volunteer, or Nursing Department clinical instructor or student at Elms College, that the College conducts background checks for employment, volunteer work, and clinical service/practice.

Policy

Where Criminal Offender Record Information (CORI) checks are part of a general background check for employment, volunteer work or licensing purpose, or clinical service/practice, the following practices and procedures will generally be followed.

- I. CORI checks will only be conducted as authorized by the Criminal History Safety Board (CHSB). All applicants will be notified that a CORI check will be conducted. If requested, the applicant will be provided with a copy of the CORI policy.
- II. An informed review of a criminal record requires adequate training. Accordingly, all personnel authorized to review CORI in the decision-making process will be thoroughly familiar with the educational materials made available by CHSB.
- III. Unless otherwise provided by law, a criminal record will not automatically disqualify an applicant. Rather, determinations of suitability based on CORI checks will be made consistent with this policy and any applicable law or regulations.
- IV. If a criminal record is received from CHSB, the authorized individual will closely compare the record provided by CHSB with the information on the CORI request form and any other identifying information provided by the applicant, to ensure the record relates to the applicant.
- V. If Elms College is inclined to make an adverse decision based on the results of the CORI check, the applicant will be notified immediately. The applicant shall be provided with a copy of the criminal record and the organization's CORI policy, advised of the part(s) of the record that make the individual unsuitable for the position or license, and given an opportunity to dispute the accuracy and relevance of the CORI record.
- VI. Applicants challenging the accuracy of the policy shall be provided a copy of CHSB's **Information Concerning the Process in Correcting a Criminal Record**. If the CORI record provided does not exactly match the identification information provided by the applicant, Elms College will make a determination based on a comparison of the CORI record and documents provided by the applicant. Elms College may contact CHSB and request a detailed search consistent with CHSB policy.

- VII. If Elms College reasonably believes the record belongs to the applicant and is accurate, then the determination of suitability for the position or license will be made. Unless otherwise provided by law, factors considered in determining suitability may include, but not be limited to the following:
- a) Relevance of the crime to the position sought;
 - b) Nature of the work to be performed;
 - c) Time since the conviction;
 - d) Age of the candidate at the time of the offense;
 - e) Seriousness and specific circumstances of the offense;
 - f) Number of offenses;
 - g) Whether the applicant has pending charges;
 - h) Any relevant evidence of rehabilitation or lack thereof;
 - i) Any other relevant information, including information submitted by the candidate or requested by the hiring authority.
- VIII. Elms College will notify the applicant of the decision and the basis of the decision in a timely manner.
