

Section I: Student Accommodation Request Form

The College of Our Lady of the Elms (Elms College) makes every effort to provide reasonable accommodations to students with documented disabilities. All accommodations for students with disabilities are handled via the office of Student Accommodations and Support Services (SASS), a division of the Center for Student Success.

In compliance with Section 504 of the Rehabilitation Act of 1973 and the implementing regulations 34 CFR part 104 (barring discrimination on the basis of disability) and the Americans with Disabilities Act (ADA) of 1990, and the implementing regulations in 29 CFR part 1630 (1992), Elms College has established specific guidelines for students seeking accommodations.

This document is to be completed by the student unless the diagnosed disability/impairment prevents them from doing so. Incomplete forms may result in delays with accommodation determination.
