Why am I being asked to complete this form and what are my responsibilities?

Your 2026–2027 Free Application for Federal Student Aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the U.S. Department of Education because you received a Federal Pell Grant and/or Federal Direct Loan(s) at multiple institutions. Please provide this completed worksheet and the supporting documentation requested from you regarding your enrollment history and academic credit earned. Academic credit is considered when a student earned one or more credit-hour and the student earned a grade of A, B, C, D or S. Grades of F, W, or I are not earned academic credits.

What are the Financial Aid Office’s responsibilities?

This flag requires Elms College to review your enrollment history to determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. If the information you supply during the verification process should change your financial aid offer, the Financial Aid Office will inform the student immediately of any and all changes.
