Welcome to Elms!

FAITH • COMMUNITY • JUSTICE • EXCELLENCE

Got your bill? Here's everything you need to get started — and **who to call if you need help.**

GETTING STARTED: 3 EASY STEPS

1. **Log into ElmsConnect**
   Review your statement — charges, financial aid, and your current balance.
2. **Check Your Financial Aid**
   Make sure your aid is listed and accepted. Loans require a few extra steps.
3. **Waive What You Don't Need**
   Health insurance, parking, and Blazer Book Link — don't pay for what you won't use.

OPTIONAL FEES YOU MAY WAIVE

Health Insurance
Required for students taking 9+ credits, but can be waived if you already have your own coverage. *Waiver deadline: August 31.*
→ **Waive at universityhealthplans.com/elms**

Parking Permit
Charged automatically — waive it if you're not bringing a car to campus. Waive during the Add/Drop period.
→ **Waive in ElmsConnect — Public Safety manages permits**

Blazer Book Link (Course Materials)
Flat-rate digital course materials. May be waived if you prefer to obtain materials on your own.
→ **Opt out during Add/Drop — elms.edu/blazer-book-link**

Why keep Blazer Book Link?

- Your required materials are ready in **Moodle by the first day of class** — no waiting in line.
- Up to **60% lower** than buying the same materials on your own, thanks to bulk publisher pricing.
- One predictable flat rate **billed to your student account** — opt out each term if you'd rather source your own.
