

ELMS COLLEGE

annual report

Our Mission

The College of Our Lady of the Elms, founded in 1928 by the Sisters of St. Joseph, is a Catholic, liberal arts, coeducational college. The college affirms its original, comprehensive goal of combining education for life with education for a career. Founded to educate women and aware of the importance of this tradition, the college now opens all its programs and services to both men and women. The mission of the Elms proclaims the intellectual tradition of the Catholic Church, and in a spirit of ecumenism, it welcomes students, faculty and staff of other traditions. The Judaeo-Christian heritage enunciated in theological studies and celebrated in liturgical worship inspires, develops and fosters an understanding of scholarship through the liberal arts. Also from the common vision of the centrality of Christ and His Gospel teaching come value systems which are characterized by a commitment to the service of others, a service that seeks just solutions to the many problems of today's world. Education for life is accomplished through efforts to develop the capacity for critical thinking, the ability to communicate effectively, an appreciation of the arts and humanities, and an understanding of the technological basis of modern society. It encompasses recognition of the need to deal with the rapid pace of change and such global concerns as those related to technology, environment, population, justice and peace. As an educational community committed to academic freedom, administration, faculty and students of the Elms interact in the common exploration of truth and the pursuit of academic excellence. Reaffirming its initial goal of integrating liberal learning with career preparation, the Elms aims to provide education for a career in courses of study designed to meet objective criteria of quality and

Dear Friend,

The past year has been one of transition for Elms College. We said goodbye to Sister Kathleen Keating as president and welcomed Dr. Joachim Froehlich as new president; we kicked off a $5-7 million endowment campaign, the first in our 73-year history, to raise funds for program, faculty and staff development, physical facilities and technology, and scholarship assistance; and the accomplishments of the past year have positioned us well as we embark on a five-year strategic plan to insure our growth and success into the foreseeable future.

For more than seven decades, Elms College has been committed to the exploration of truth, the pursuit of academic excellence, and service to others. The dedicated work of each member of our team, each and every day, enables us to maintain this unique presence among institutions of higher education.

We are proud of our recent accomplishments, which range from having 11 of our students spend spring break renovating flood damaged homes for Habitat for Humanity, to hosting 10 Japanese students from Kochi Women's University as part of a cultural exchange agreement, to sponsoring the ninth annual Women in Math Day for high school girls. Many others are highlighted in this report.

On behalf of the entire college community, I want to offer our deep appreciation for the hard work and support we have received from each of you as we continue to fulfill our mission and meet the educational needs of our students.

Sincerely,

Daniel M. Melley

excellence. It assists students in the choice of, and preparation for, careers, encourages performance to meet the highest standards, with emphasis on the potential for original contributions; provides students with opportunities for continuing education and professional enrichment. The college exists for the pursuit of truth; the accurate transmission of knowledge; the general well-being of society; and the personal, spiritual, and intellectual development of its students. The College of Our Lady of the Elms aims to assist in the development of students rooted in faith, educated in mind, compassionate in heart, responsive to civic and social obligations, capable of adjusting to change without compromising principle, and able to respond creatively to the demands of their chosen careers.

$1 MILLION PLEDGE the largest in the school's history - received in memory of Mary Wojciechowski Antroll from her family to establish a scholarship in her memory. Mrs. Antroll's son William Frain is a member of the Elms Board of Trustees

The Elms College Annual Report is a chance for our alumni, friends, and faculty and staff to look back on the past fiscal year, July 1, 2000 to June 30, 2001.

During that time, we enjoyed many successes and advanced our efforts to move the college forward into a 5-year strategic planning process.

Through it all, as we have for more than seven decades, we continue to educate reflective, principled, and creative learners.

The College of Our Lady of the Elms is extremely grateful for the support and commitment from its diverse constituents. The following listing recognizes total giving of those who have contributed to all purposes. These gifts include support to the Alumnae Library, endowment, financial aid, capital improvements, and faculty, academic, athletic, and cultural development.

Parents $29,450

The Parent Support Group, now in its seventeenth year of organization, is an important resource to the Elms. The involvement and support of parents enhance the Elms family spirit and are testament to their high esteem for the college. Many continue their generosity long after their children have graduated. To all parents of Elms students and alumni, the college extends its sincere gratitude.

Elms College Endowment Fund

Some of the most meaningful gifts we have received are made in honor or in memory of beloved friends, colleagues, and family members. Many such gifts are designated as endowed scholarships, awards, and library memorials. In 2000-2001 the endowment fund has been increased by $2,149,236 for tuition and annual awards. We are honored to accept these special gifts. During fiscal year 2001, twenty-five new scholarship endowments were established. This list reflects new and increased endowment.

Individuals

$1,976,523

The Elms is fortunate to have many supporters. In 2000-2001 Elms College received a number of gifts from generous individuals or groups of individuals. They share a genuine appreciation for the role the Elms plays in the lives of our students. They contribute to sustain and advance that role. We are especially grateful for the support of these friends.

Diocesan Collection $83,938

The College of Our Lady of the Elms is most grateful to Bishop Thomas L. Dupre, the priests and parishioners of the diocese, and the volunteer speakers for their extraordinary support. The College expresses its gratitude for their substantial gift for financial aid obtained through this collection.

SR. KATHLEEN KEATING, president of Elms College, named Chicopee Citizen of the Year and Marshall of the St. Patrick's Day Parade.

Corporations and Foundations

$531,270

Several corporations, corporate foundations, and other organizations have contributed a total of $493,418 to the college in 2000-2001. In addition, many corporations have matched the donations of their employees, making a grand total of $531,270. The college is deeply grateful for their confidence in our institution as well as for their financial assistance.

Matching Gifts

In 2000-2001 alumni, parents, and friends designated $37,852 in matching gifts to the Elms from corporations, in some cases doubling or tripling their gifts. The Elms appreciates the generosity of the companies listed below which have participated in supporting the college by matching gifts of their employees. Our sincere thanks to those corporate donors. The college also commends those individuals who have diligently sought to pursue these gifts. We are listing individual donors with their employer's name. These matches were paid between July 1, 2000 - June 30, 2001. If you feel that your name should be included, please check with your employer regarding the status of your match.

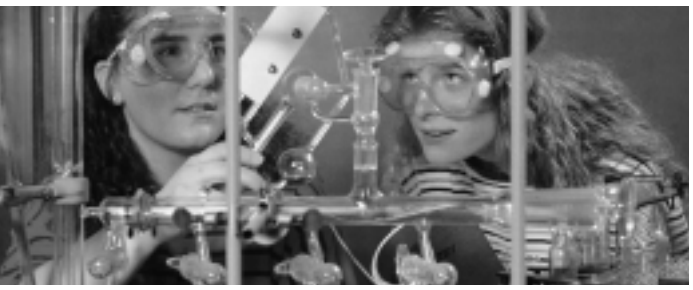

DONOR-SCHOLAR RECEPTION
87 students receive scholarships, Donald D'Amour, CEO of Big Y Foods, speaks from a donor's perspective about endowing a scholarship in honor of Marie Couilliard D'Amour.

Members of the Living Legacy Society

The Living Legacy Society was established in 1994 to honor alumni and friends of the College of Our Lady of the Elms who have established a charitable gift annuity or trust; included the college in their bequest; established a named endowed scholarship; or named Elms College as beneficiary of an insurance policy. The Living Legacy Tree, designed by Theresa Amiot ’47, was constructed in 1997 and hung in the Rotunda. The name of each member of the Living Legacy Society is located on a leaf of the tree, which symbolizes the shade and security provided by alumni and friends.

This report has been prepared by the development office and the office of institutional marketing. The list of donors reflects gifts to the college during the fiscal year 2000-2001. Donations made since July 1, 2001 will appear in the next annual report. We have taken great care to ensure that complete and accurate listings appear. However, due to the large number of donors, to whom we are most grateful, a mistake may have gone unnoticed. Should you find an error or omission, please bring it to the attention of the alumni office or the development office. Please note that an individual's name may appear on several lists, and also that some donors have requested that their gifts be anonymous. ©2002, Elms College
