Dear Elms College Community,

In light of the Executive Order signed by President Trump on Friday, January 27, 2017 entitled, Protecting the Nation from Terrorist Entry into the United States by Foreign Nationals, the Elms College International Programs Office is here to provide access to related resources, travel guidance, as well as a listening ear. Our door is always open and we are committed to providing a safe and welcoming environment for those who would like to discuss any issues related to Friday's Executive Order and its impact on our community.

We will be working with NAFSA: Association of International Educators, as well as our local legal professionals, to partner in support of our community. Please contact us directly with questions or concerns.

Thank you,

**Marco Garcia, Director of International Programs
